#### What is It?

We took Honda's FCV Clarity first fuel-cell-powered vehicle out for a spin and what we thought would be like a science experiment on wheels, sadly, wasn't. On the inside, we fo...

### Component Health Check

A vehicle undergoes enormous wear and tear with time. It is often imperative to inspect and replace parts of the vehicle on a timely basis to keep it in prime condition. These aspects often go unnoticed and become real pain points with time. Use the Component Health Check for maintaining your vehicle components without any hassles. It would provide the list of parts to be inspected every subsequent year based on their age to help you find out the parts needing replacement.

\*This is a suggestive list and is not based on the actual physical inspection of this vehicle
